MESSAGE FROM THE MARCOM CONVENOR

Agnes Chan

With Chinese New Year just round the corner, on behalf of the Marcom Sub-Committee, I would like to wish all our members a very Happy Lunar New Year. 虎年快乐! 大吉大利! 身体健康! 万事如意!

To kick start 2022, it is my pleasure to introduce my fellow members of the Marcom Sub-Committee and also share some goals and initiatives that we will be working together in the term 2021-2023.

What is Marketing Communication (Marcom) in Warren Golf & Country Club?

Many of us understand Marcom as using different marketing tools to communicate with target audiences through traditional advertising, direct marketing, social media marketing, presentations, sponsorships and etc.

In our Club, Marcom aims to bring consistent and timely communications to all members through the Club's internal marketing platforms such as Warren Tidings, Annual Report, website, e-mail blast, Facebook, Instagram, Telegram, digital signages, posters and notices.

We work in collaborations with various departments in producing marketing materials and pushing out the publicity for programmes, events, promotions and news to engage members as well as drive patronage.

In addition, the Club's Corporate Social Responsibility (CSR) in planning and implementing initiatives under Warren Cares to play our part to do good via the various communities is also part of our core goals.

Marcom Goals for Term 2021 – 2023

For the term 2021 – 2023, we have set for ourselves the following goals:

1. Revamp Warren Tidings – Members who are loyal readers of the Club's newsletter will notice the change. We added new and interesting columns and move some static information to our website.
2. Enhance Social Media Presence – In addition to Facebook (FB) and Instagram (IG), we have added Telegram as another mode of engagement with members. We have also seen an increase in the number of "Likes" and "Followers" in Club's FB and IG.
3. Enhance Corporate Social Responsibility (WARREN CARES)
 - a. Lakeside Family Services continues to be the Club's adopted charity till end 2023. I would like to say "A big Thank You" to all members for your generous donations during the recent fundraising drive. This enables Warren Cares to distribute groceries to 40 needy families on a quarterly basis for a year.
 - b. We will also focus our CSR efforts on Limbang Community where the Club is located. We have reached out to the Grassroots Leaders of Limbang Constituency to see how we can collaborate.
4. Go Green Initiatives!
 - a. Warren Tidings will continue to be in e-copy
 - b. Cessation of printing of Club Calendar
 - c. Conserving the use of towels
 - d. Say "No" to plastic bags!
 - e. Electronic Feedback form

We encourage members to share with us their ideas/suggestions on this initiative.
5. Strengthen Club Financial Position – this is one of Management Committee's focus areas

Introducing our Marcom Sub-Committee (2021-2023)

Our Marcom Sub-Committee members are carefully selected in view of the above goals. Each one of them is assigned to lead a goal based on their individual credentials.

Leow Zheng Xu – Project Lead to enhance our social media presence

"Working with Marcom Team to enhance social media, I am tasked to increase outreach and build a positive brand experience, and develop meaningful relationships with existing and future Warren members."

Amy Teo – Project Lead to enhance our CSR; she has served in Social and Marcom Sub-Committee

"Volunteering my time as a Sub-Committee is a choice just like one who has chosen to golf under the hot sun."

Hor Swee Fun – Project Lead for Go Green campaigns; she has served in Social Sub-Committee

"Go Green Initiatives are important as these contribute to green living and sustainability."

I would also like to take this opportunity to thank our Golfing member, Mr Kuk Hun Yi for his contribution on Junior Golf articles in Warren Tidings.

Supported by:

Ex-officio: Mr Patrick Kwek (President)
Ex-officio: Ms Catherine Kwek (Hon Sec)
Joan Tay (Marcom & Membership Manager)
Feon Liew (Marcom Executive)

Enjoy your celebrations with your loved ones in this Lunar New Year and we look forward to continue to serve you as we enter a brand new 2022!

GM SPEAKS...

Jinder Aujla

Happy New Year and I hope you had a great celebration with your loved ones during the year-end festive. 2021 has been a challenging year for everyone and I would like to take this opportunity to thank all members for your continuous support and observation of the changing COVID-19 regulations for the past one year. Let's hope COVID-19 will transit to the endemic stage in 2022 and the Club can resume more activities and programmes for members.

Members will be glad to know that the T Bar will be opening on 1 January 2022 with a refreshed alfresco concept to serve members better. It will be an ideal place for our members to chill out with family and friends over a variety of snacks and beverages while enjoying the scenic golf course view. Don't miss our attractive beverage promotions during the opening and we look forward to see you at T Bar!

A view of the new concept alfresco T Bar

The Club is currently running a Chinese New Year promotion for our Social Membership till 28 February 2022. Members who successfully refer a new Social Member will be rewarded with \$200 F&B vouchers and your referral will also get \$588 spending credits. A reward for both to have a great celebration at the Club during the Lunar New Year!

I would like to show my appreciation to members for your generous donations to our Warren Cares Fundraising Drive. At the time of this message, we are pleased to share the donations amount raised is \$37,622.

On 14 December 2021, we had our first groceries and FairPrice vouchers distributions to 40 needy families under Lakeside Family Services. A big Thank You to members who had volunteered their valuable time to help in delivering the items to these families and also our staff who helped in packing the 80 goodie bags. There will be more programmes in the pipeline under our Warren Cares in 2022 and we look forward to your active participation in this meaningful cause.

As part of the Club's Go Green initiative to go paperless, from 1 January 2022 we will cease the use of hardcopy Feedback Form. Members can conveniently submit an e-Feedback Form by scanning the QR code that will be made available at various facilities and service counters around the Club. Your support for Go Green not only reduce our carbon footprint but also help to reduce operation cost of the Club.

Lastly, on behalf of the Club Management team, I would like to wish all members Good Health and Blessed with Prosperity & Joy in the Year of the Tiger! Gong Xi Fa Cai!

GO Green and GO Paperless with Us!

Going paperless is an important step for everyone who wants to participate in green living.

As part of the Club's Go Green initiatives, **with effect from 1 January 2022** the paper Feedback Form will cease.

To share your feedback and comments of your experience at our Club, members and guests just need to scan the QR code which will be available at various facilities and service counters to submit your e-feedback form. Let's be earth friendly!

Warren Members Competed in Major Asia-Pacific Competitions in Dubai and Abu Dhabi

Warren Members; Justin Kuk and Aloysa Atienza recently competed in the Asia-Pacific Amateur Championship (“AAC”) and the Women’s Asia-Pacific Amateur Championship (“WAAP”) respectively, two of the most prestigious tournaments in the amateur golfing world, which gave both of them wonderful opportunities to pit their skills against some of the best players in the amateur world.

After a hiatus last year due to Covid-19 pandemic, the men’s competitions at the AAC was held this year between the 3rd - 6th November 2021, respectively at the famous championship course at Dubai Creek Golf & Yacht Club in Dubai, UAE (originally designed by Karl Litten and subsequently redesigned by Thomas Bjorn). The ultimate prize for winning the AAC is to receive an invitation to play in the Masters Tournament and the British Open, the following year and past winners include 2-time champion and current Masters champion, Hideki Matsuyama.

Warren Junior and SGA National Squad Member, Justin Kuk was part of a 4-man Singapore team, which was sent to this year’s AAC. Selection is based on WAGR ranking at time of selection. After 4 days of tough intense competition, Justin closed the week at AAC with a cumulative score of 284 (72, 70, 72, 70) which placed him in joint T33rd position in the field. In reflection on his week competing in Dubai, Justin had this to say:

“As this is my first overseas competition in 2 years, my first time playing AAC, and first time playing in this region, I actually did not know what to expect from my game this week. I have been playing reasonably well in Singapore, and was happy to translate some of that form to this week at AAC, by scoring 18 birdies this week. The biggest challenge for me this week was walking 6 days (including practice rounds) in a row in desert temperatures. I learnt this week that I still have a lot more to improve to be where I want to be, and I know now the level of play that I need to have in order to compete with the best.

My best memories from this week are being in a new country with my teammates, experiencing new different conditions, and competing as part of a team. I just want to say thank you to the organisers of AAC, for their superb organisation and hospitality which anticipated all our needs, to SGA and Sentosa GC for sending and giving us the opportunity to train for this competition, and my coach Matt Ballard and my teammates for their support. “

This year's WAAP was held at the Abu Dhabi Golf Club between 10th - 13th November 2021. Warren Member and SGA Development Squad Player, Aloysa Atienza, was one of the 7 Singapore players selected to participate in this year's WAAP. The Abu Dhabi Golf Club is a championship venue that provides a tough but fair challenge and has hosted multiple European Tour events. The winner of WAAP will get to play in 2 major championships i.e. The AIG Women's Open and the Amundi Evian Championship, as well as other tournaments.

Aloysa started her competition with a bang carding birdies on her 1st 9 holes and was in fact at one stage on top of the leaderboard. She closed the 1st day with 5 birdies and a 1 over score. On the 2nd day, Aloysa struggled to maintain her momentum but kept on fighting all the way. Unfortunately, she closed her 2-day score with a cumulative +3, and just missed the halfway cut which was at +2.

Reflecting on her week at Abu Dhabi, Aloysa shared:

"As this is my first major overseas tournament, I just wanted to play my best and see how far up the leaderboard I could get. I prepared as well as I could especially on my short game with coach Matt at Sentosa GC, and also did a lot of mental preparation with sports psychologist Hansen Bay to make sure that I could take the pressure. Although I missed the cut by a single stroke, my experience playing the WAAP has shown me that I have the golf skills to compete and am capable of playing in an elite field to contend."

"My best memory of this week is the fact that I was the early leader of the event after 8 holes. The next step for me is to hold that lead for another 64 holes to win the championship."

*Warren member Aloysa staying positive all the way at WAAP
(Photo credit – WAAP)*

Justin and Aloysa appreciate all the support from Warren GC and Warren Members. Just as Justin and Aloysa were also once Juniors, the takeaway for Warren Juniors from this story, is that if you have a vision, self-belief, work hard and don't give up, you can end up playing on the big stage, and eventually may even play on the Tours. Dreams can come true. Onwards and upwards.

Warren Ladies Top 4th National Ranking Game and HSBC YGC 1st Leg

Warren ladies and girls dominated at the recently concluded 4th National Ranking Game (NRG) cum HSBC Youth Golf Challenge 1st Leg (HSBC), which was played on the Aranda/ Vanda courses at Orchid Country Club between 14th to 16th December 2021.

In the Ladies division of the NRG, Warren Member, Aloysa Atienza was tied at level par after the first 2 rounds of competition, with Seletar's Hailey Loh and Yu Shang. One flight ahead, Warren Junior, Xingtong Chen, was only one shot back at +1 going into the final day.

On the first 9 of final round, Seletar's Hailey Loh showed her determination to take an early lead by recording 3 birdies and led by 1 shot as she finished her 1st 9 holes at -1. Meanwhile, Aloysa made the turn at even par by registering a solitary birdie to offset a bogey, while Yu Shang had fallen off the pace by making the turn at +3.

However, Aloysa put pedal to the metal in the 2nd 9 holes, by quickly birdieing holes 10 and 11 to tie the match, and then recording another 2 birdies to close out the match and win this NRG on countback (74, 70, 69). Xingtong Chen took 3rd placing for this NRG by recording 3-day score of +6 (72, 73, 77).

Meanwhile in the Girls B division of HSBC (for girls 12 - 14 years of age), Warren's Xingtong Chen, Tatiana Ang, Sydnie Ng and Asara Sawhney participated. Xingtong Chen took the Girls B division title winning by 5 shots over another talented Warren Junior, Tatiana Ang, who shot a cumulative +11 (77, 71, 79), and was placed 7th for the NRG. Sydnie Ng finished in 11th position with a cumulative score of +41 (87, 82, 88). Xingtong and Tatiana look to continue Warren's dominance in Girls B division, taking over the mantle from 4-time winner, Warren Junior Jillian Kuk, who has since graduated to Girls A division.

Other notable results by Warren ladies / juniors in this NRG:

- Inez Ng - 6th position with cumulative score of +9 (225)
- Jillian Kuk - 8th position with cumulative score of +16 (232)
- Kimiko Ang - 11th position with cumulative score of +22 (238)
- Passion Hsu - 12th position with cumulative score of +29 (245)

In the Men's division of this NRG, Warren's Sean Pang came in 11th position (+19) and Lukesh Varunnaa came in 22nd position (+27). Sean placed 5th and Ayden Teo placed 16th in the Boys B division, and Lukesh placed 10th in the Boys A division, of HSBC.

Wishing our Warren Juniors every success at next week's 'Major' for the juniors, the Singapore Junior Golf Championships, to be held at Keppel Club.

DELIVERING THE “ACE” EXPERIENCE AT WARREN

The last 2 years had been a roller coaster ride for our frontline teams as they strived to deliver the “ACE” experience at every touchpoint and engagement with our members and guests. The frequent disruptions to our operations due to the implementation of safe management measures by the authorities had imposed much restrictions upon our teams in their quest to deliver that “ACE” experience.

Despite these challenges, our frontline teams had risen to the occasion and endeavored in delivering this experience at every touchpoint and interaction with every customer .

This is evident from the accolades and compliments that our frontline teams had received from our members and guests over last year.

A total of 16 frontline staffs were recognised by the nationally accredited Excellent Service Award (EXSA) 2021 for their quest to deliver the excellent customer experience.

All our 16 recipients are ordinary folks just like us but armed with a great passion to be their “best self”, “to make a difference” and most importantly “to have fun doing what they do” .

Our heartiest congratulations to all our 16 recipients of the different award categories, namely; Silver, Gold and Star Awards.

Our quest to deliver the “ACE” experience does not end with winning at each annual EXSA Award but it will serve as a motivation to spur us on and to continue to exceed the expectations of our members and guests as well as their experiences in the Club.

Thus at Warren, “Service is not about doing what’s ask of us. Service is about doing more than what’s ask of us.”

“MAKING A DIFFERENCE!”

On the 26th October 2021, our member, Mr Sam Sim had unknowingly left behind a gold chain and pendant in the locker of the golfers' changing room after his shower. Our Senior Club Attendant, Liang Shuqing, whom members called him as “Ah Liang”, found the gold chain and pendant while he was cleaning the lockers at the end of his shift. Ah Liang immediately informed Mr Sim and return them to him.

Mr Sim expressed his gratitude and commended Ah Liang for his act of selfless honesty.

The Club Management is certainly proud of Ah Liang, who has gone that extra mile for our members and their guests.
