MESSAGE FROM THE GREEN CONVENOR

Bruce Dann

Greetings to all Warren members!

I have served for four and a half years on the Green Sub-Committee and helped steer the Club through the course renovation and now, I am definitely humbled to be appointed your Green Convenor for 2019-2021.

I consider Warren's golf course to have an excellent layout, a thorough golfing-examination, deserving of being in good playing condition.

The course we are all enjoying now, the course we are once again proud to invite guests to, is the result of hard work already done by a lot of people; the past and present Management Committee (MC), the previous Green Sub-Committee led by Bryan Ong, and Superintendent Raja and his team.

To you all, I extend my thanks for inheriting a course at its optimum condition week-in, week-out and being able to be brought to a higher level for special occasions.

We now consistently run the greens at 10+ on the Stimpmeter, without stressing the grass, and many of us have experienced them at a 'fun' 11.5+!!!

In an attempt to bring members and guests an even more enjoyable golfing experience, we have undertaken further initiatives. Here are some of them that were completed or have commenced over the last few months:

- Foreign grass removal and fertilising of fairways to encourage thicker thatch and more resilient grass
- Laying of new turf (gratis from Tanah Merah, thank you!) on bare fairways and rough patches
- Unsightly worn buggy entry points are being fixed using the Sigma matting, which grass grows through and over (Please note the new Local Rule if your ball comes to rest on one)
- Continued soil, foliage and water testing of our greens for further improvement and making them more resistant to disease and able to better withstand the extremes of Singapore's weather
- Measuring the depth of sand in bunkers and topping up where required. We continue to use sand of USGA specifications.

- Selected removal or pollarding of trees to deliver more sunlight to fairway grass
- Heavy roller being applied to tees to produce that 'table-top' finish
- A trail nursery alongside Hole 13's blue tee to cultivate Zoysia turf for the fairways
- The purchase of additional machinery items that will produce quicker and better results on our course
- Refreshed landscaping at the front entrance and driveway for that favourable first impression

I regard the position of Green Convenor as a CONDUIT between you, the members and the MC and the course working party, superbly led by Superintendent Raja.

I am open to any and all ideas from members for a better golf course. Please let me or one of the Green Sub-Committee members know your thoughts – I am ably supported by Bryan Ong, William Ong and Harry Lee.

What we are doing is working. However, we need your help to maintain the course at a high level of presentation and playability:

- Pitch marks – There are still far too many on our greens. It takes 10 days for an unrepaired pitch mark to 'grow out' of a green or 10 seconds to repair one. Please carry, and use, a pitch mark repairer.
- Litter – Please take extra care to not litter the course, especially food wrappings blowing out of buggies.
- Cigarette butts – Please ask the buggy boys for an ash-tray or extinguish and place in bins provided.
- Repairing divots (please carry a sand-bottle to your ball when it's 'Buggies on track') and raking bunkers!!
- Please do NOT remove Goose grass from the course. Although we appreciate the good intentions, removing the plant spreads the seeds over a wider area. The ground staff will eradicate them with herbicide.

The Green Sub-Committee members and the working party are proud to deliver the present golfing facility and we hope you are proud to be Warren members. Happy golfing!

GM SPEAKS...

We will be starting September with a Mid-Autumn Festival event for the Warren Kids' Club. This festival is also a time for reunion of family members while spending time together to feast and eat the traditional mooncakes. The Club is always proud to be a part of this tradition by bringing together our members for some fun-filled activities. So grab your lanterns, relish in the snow skin mooncakes that you will get to make with your little ones and lap up all the Mid-Autumn fun at the Club on 8 September!

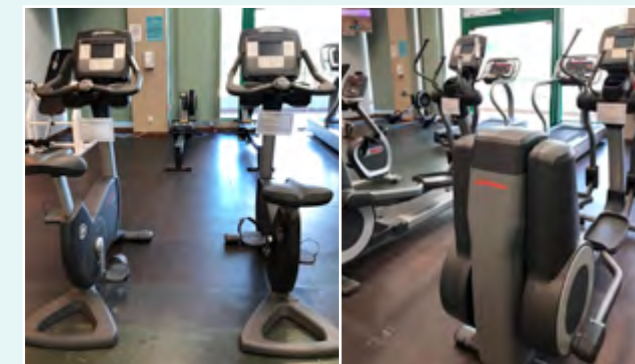

It's time to bring out all your lanterns for the Mid-Autumn Festival

Something else's also brewing for our Warren kids and here's a little sneak peek into this really exciting and irresistibly fun upcoming event... the inaugural Warren Kids' Club Masterchef! The Kids' Masterchef promises to be an unforgettable immersive culinary experience for the kids where they will also get to put their creativity to the test. Details will be rolled out soon and we urge members to quickly sign up your kids for the event as we expect an overwhelming response.

9 September will see us holding our yearly fishing competition. On top of providing anglers a different fishing experience on the golf course, the activity also offers members a cosy afternoon simply chilling outdoors with their family and friends. I wish all who have signed up for the event a roaring good time.

With the increased utilisation rate of our Gym, it seems that more and more members are turning into fitness buffs. It is definitely good to see members embracing a healthier lifestyle through workouts at the Gym. Keeping fit is a serious business but at the same time, it should be enjoyable and motivational too. To provide members more variety of working out and getting fit, we constantly review our existing set of Gym equipment and stock it up or replace with new ones whenever the need arises. We are thus very pleased to share that we have recently brought in some new equipment that includes cross trainers, cardio bikes and a sit-up bench. So to all the Gym enthusiasts and fitness wannabes, put on your workout attire, work up a sweat and get really fit.

Some new Gym equipment

The Club's new Integrated Management System was officially launched on 13 August 2019. With any new system, there will be teething issues and we extend our sincere apologies to members for all the inconvenience caused. We hope members can bear with us while the system developers are working round the clock to resolve and rectify any issues that have appeared.

In line with the Integrated Management System, the Club will be issuing new membership cards in the last quarter of the year. The existing membership cards may still be used in the interim and from 1 February 2020, the new membership cards will entirely replace the old ones. Please keep a lookout for the new membership cards in your mailboxes and if you do not receive them by the end of the year, please contact our Membership Department immediately.

Enjoy Warren and keep on with the fun!

LADIES FOURSOME CUP

Sunday 28 July 2019

Thirty-six ladies formed their own teams (two in a team) in this foursome cup played in the strokeplay format. Each team played off 50% of their combined handicaps and each member in the team was to select either odd tees (1, 3, 5, 7, 9, 11, 13, 15, 17) or even tees (2, 4, 6, 8, 10, 12, 14, 16, 18). Each player then teed off from her pre-selected tees and the game was played on an alternate shot basis until the ball was holed out at each hole. Good job to the winning team of Chen-Horng Hwa Shu & Chen Liangyi with a nett score of 69 and the runner-up team of Jang Hyun Hee & Jeon Hy who had a nett score of 71!

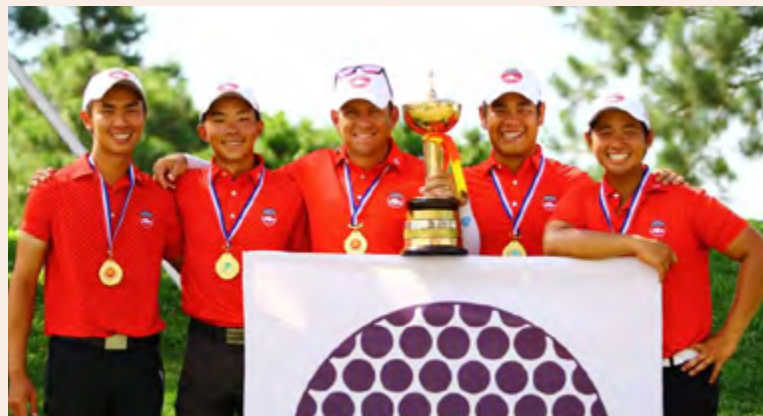

Junior News!

SWEET TRIUMPH FOR DONOVAN LEE & JUSTIN KUK!

It was a great month for our Warren Juniors, Donovan Lee & Justin Kuk!

Donovan and Justin, together with their other SGA National Squad team mates comprising Nicklaus Chiam and Low Wee Jin won the South-East Asian Amateur Golf Team Championship 2019, 59th Putra Cup, that was held at Vietnam from 24 to 27 July 2019. Congratulations to the team!

And less than a week later, Donovan also bagged the Championship title of the Johor Amateur Open held from 30 July to 1 August 2019 at Horizon Hills Golf & Country Club.

3D2N Juniors' Golf Trip to Palm Resort

20 - 22 June 2019

On 20 June, 19 Warren Juniors, led by Resident Pro, Dean Tan, went up to Palm Resort in Johor for two rounds of golf games. Despite being unable to complete their second round of golf due to inclement weather, it did not dampen the juniors' mood one bit as there were lots of team building games and activities to keep everyone happily occupied.

The Juniors ready to tee off at Palm Resort!

The Juniors looking smart and all ready for a great game

Playing on overseas courses exposes the Juniors to different course conditions

Time for teambuilding

We are sure the leisure activities were also the highlights of the trip!

Mid-Autumn Festival - The Legend of the Jade Rabbit

Cute, fluffy, and white, the Jade Rabbit is no ordinary bunny. Calling the moon its home, the Jade Rabbit is a mystical and enchanting Eastern legend. When the bunny isn't busy making immortality elixirs, it keeps the beautiful goddess Chang'e company in the Moon Palace. Out of the various legends explaining the origin of the Mid-Autumn Festival, the tale of Chang'e tends to be better known, but what's the story behind her tailed companion?

One day, the Jade Emperor decided that he wanted some help preparing the elixir of life for the immortals. Fearing that humans would be too selfish and untrustworthy for such an

important role, he thought an animal would be better suited to this responsibility. The Jade Emperor came down to Earth disguised as a beggar and went in search for a worthy animal in a forest. As a famished and frail man, he cried for help and food and eventually three animals came to see if they could help; the monkey, the fox and the rabbit.

The monkey, the fox and the rabbit were sympathetic to the old beggar's plight and went into the forest to search for food. The monkey returned laden with fruits he had gathered from up in the trees. The fox returned with some fish he had caught in a nearby stream.

Despite searching throughout the forest, the rabbit could not find any food for the old man from the woodland floor. When he returned much later, and saw the beggar sitting next to the fire eating the fruits and the fish, the rabbit felt sad that he had been unable to find him any food. Realising that he could sacrifice himself so that the man could eat, the rabbit threw himself into the fire in an ultimate act of selflessness.

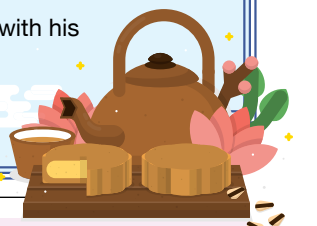

At that instant, the beggar transformed into the Jade Emperor and stopped the rabbit from being burnt. Having found the most noble of creatures to take on the role of creating the elixirs, the Jade Emperor transported the rabbit to the moon, where he learned to make divine medicines and kept them safe from humans wishing to steal the elixir of life.

The rabbit worked hard, eventually mastering the skills required to concoct the right ingredients together to create the elixir of life. The Jade Emperor was so delighted with the rabbit that he made the rabbit's fur a dazzling white. The heavenly glow from the rabbit's smooth and bright fur was so bright and beautiful, that it looked like precious jade, which is why the other heavenly beings came to call him the Jade Rabbit.

If you look up at the full moon and squint slightly at the markings, you can still see the Jade Rabbit with his pestle and mortar, making the elixir of life for the immortals.

NEW MEMBERSHIP CARDS

With the new Integrated Management System in place, the Club will be issuing new membership cards to members!

The new membership cards will be issued to members from October 2019 in batches by mail. There will be no change to membership numbers.

The existing membership cards have been in use since the Club moved to its current premises at Choa Chu Kang. After close to two decades, and with the implementation of the Integrated Management System, it is definitely with much excitement that we present members with our new membership cards.

The new membership card design will be a complete change from the existing one. It features a drawing of our Clubhouse and is designed to give it a contemporary and sleek feel.

Additionally, the old "swipe" card system will be ditched. The new contactless membership card uses the RFID (Radio Frequency Identification) tag technology. Each card is embedded with a chip and its use is simply by a tap against the RFID reader.

The new contactless membership cards will first be introduced for use at the F&B outlets and members will be able to use them progressively at various facilities.

IMPORTANT

From 1 February 2020, use of the old membership cards will no longer be accepted at the Club. During the interim period, members will still be able to continue using their old membership cards.

If you require any clarification or if you have not received the new membership cards by 31 December 2019, please contact the Membership Department at Tel: 6586 1250/219/238 or Email: membership@warren.org.sg.

Let's get to work!

NATIONAL DAY CELEBRATION - MAKE YOUR OWN DECOUPAGE KEY TAG

Sunday 4 August 2019

Held at the Fun Room, this Decoupage Making Workshop was organised in celebration of the nation's birthday. The session started with the trainers carrying out a demonstration to the 26 participants, after which the parents and kids then selected their preferred designs and began works on the key tags. The workshop ended with smiles and lovely key tags which everyone proudly brought home!

Happy faces

Thanks to everyone for joining us in the workshop!

Mid-Autumn Festival Celebration! Mooncake-Making & Lantern Walkabout

Sunday 8 September 2019
5.30pm – 7.30pm
Conference Room (inside Yan Palace)

This year, to celebrate the Mooncake Festival, we will be making Snow Skin Mooncakes that originate from Hong Kong! Also known as Iced Skin Mooncakes, they are wrapped in delicate, light, mochi-esque skin, a modern twist from the traditional baked mooncake.

Of course, look forward to ending the night with a lantern walkabout around the Club!

WARREN
GOLF & COUNTRY CLUB

TABLE FOOTBALL INTEREST GROUP

brought to you by the Table Football Association of Singapore

Founded in the United Kingdom in 1947, Table Football was the rage in Singapore back in the 1980s which lasted until the early 1990s. Its popularity waned with the emergence of computer and hand-held games. It made a comeback in the early 2000s and has steadily gained popularity amongst the young and old.

For the Individual

Improves focus, cultivates dexterity, develops discipline and sportsmanship

For Pairs & Groups

Promotes interaction, strengthens bonds, builds team spirit

In General

Suits all ages, a great brain stimulus, indoors and safe

Expect lots of FUN, FUN and more FUN!

How to Play?

The game is played between 2 players "flicking" 11 figures on weighted base towards the ball to kick it, with rules similar to the actual game of football/soccer.

Day/Date:

**Every last Sunday
of the month**

Time:

2.00pm – 3.30pm

Venue:

Fun Room

Eligibility:

Open to Warren members and their guests

Note:

The Trainer

Fred Senachal joined the Creps de Reims in 1995 to prepare his training for professional teaching under national coach, Gérard Valentin. His passion for tennis began at the age of 10. He left his home region of northern France at the age of 14 to join the tennis club - Phocéén Lumigny Marseille - to train and at the same time started teaching. Fred taught at different clubs in France as well as the Mediterranean Club. To improve his English, he spent a year in Nottingham where he taught tennis at Nottingham Tennis Centre. It was in 2005 that he landed in Paris to teach at the Paris Country Club as well as at Stade Francais where he taught mini tennis (from the age of 4). He was also given the responsibility to coach for club competitions. Having just arrived in Singapore in August 2018, Fred takes pleasure in discovering tennis for both children and adults, and anyone who would like to re-learn the game again.
