## MESSAGE FROM THE MARCOM CONVENOR

Annie Yeo

Just when it seemed that we were not too far from celebrating the start of 2019, we are now already into the final two months of the year. And here we are, looking forward to celebrating another Christmas and countdown to a brand new year!

With half a year into the new term of 2019-2021, please let me introduce my fellow Marcom Sub-Committee members who have been instrumental in driving and overseeing the Club's communications needs – Eileen Lui, my predecessor, the former Marcom Convenor; Sharon Tay, who has been on this committee since the previous term and Amy Teo, our “new kid on the block”. Together with President Charles Teo and Honorary Secretary Victor Bay, we strive to share the vibrancy of our Club through our communication channels.

A meaningful project that the Marcom Sub-Committee continues to champion is no doubt our Corporate Social Responsibility (CSR) programme, WARREN CARES. Officially launched in November 2017, the Club was pleased to have SUN-DAC, a centre for the intellectually disabled in Choa Chu Kang, as our first adopted charity. WARREN CARES is now two years old and it is also timely for us to make a switch to a new charity to allow us to work with other underserved areas of the community.

While it is with sadness that we end our partnership with SUN-DAC, the Club has raised more than \$80,000 as well as organised regular activities for SUN-DAC's clients that included bowling sessions, swimming lessons and festive celebrations over these two years. We hope we have not only brought about a positive impact to clients of SUN-DAC but also to our Club members and sports operators who have donated generously or volunteered their time unconditionally. On behalf of the Club, a big THANK YOU to all of you.

WARREN CARES continues to be driven by our objectives to contribute positively to society,

provide a platform for Club members to bond with one another through volunteer activities and increase the Club's visibility in the community. With a consistent focus on adding value to the community around the Club's vicinity, we are delighted to announce that we have adopted Lakeside Family Services as WARREN CARES' beneficiary for the next two years.

Lakeside Family Services serves residents in the western part of Singapore and provides highly subsidised and quality services to underprivileged children, youths, families and elderly, regardless of race, language or religion. They provide support to their clients through a multi-pronged approach, including financial assistance, counselling, children and youth developmental programmes, home and employment assistance. Read on page 18 to find out more about Lakeside Family Services. They will be joining us in our Christmas Light-Up on Saturday 23 November so do come down and be a part of this joyous celebration.

Before I sign off, do look out for our 2020 Club Calendar. The theme next year is about our people and I am sure you will be pleased to see some of the friendly faces gracing the pages of the calendar. If you would like a copy of the calendar, please make sure you have opted in to receive it.

It is the time of the year to wind down, spend time with family & friends and recharge our batteries before 2020 arrives. Happy holidays!

Jinder Aujla

## GM SPEAKS...

Christmas is right around the corner. The holiday season is going to be in full swing and I am sure we are all geared up for a period of feasting and partying this time of the year.

Start your festive cheer with the Christmas Light-Up at the Club on 23 November. To ramp up the festive mood, this year's celebration will be a very special one as for the very first time, it will be brought to members together with our Annual Family Day. The Family Day will kick start at noon, with activities and programmes leading up all the way to the Light-Up in the evening. There's always something special about a White Christmas that is extra magical. This inspired us to come up with a “Snowy Christmas” theme for the Club this year. The Club will be transformed into a winter wonderland so come with your friends and family to soak in the wonderful atmosphere – we promise a jolly good time for all.

Christmas Light-Up on 23 November – a date not to be missed

23 November will also see us crowning the winner of our Warren Junior Masterchef. Have you signed up your kids for this event yet? Let the kids take over the kitchen and display their culinary talents in this competition. More details can be found on page 20.

Members would have been notified by now that your current car decal will expire by 31 December 2019. From 1 January 2020, members are required to display the new car decal which will be valid for the next three years. Thus, we urge members to renew their decals by the end of the year. Renewal may be made online, by post, fax or email (please refer to page 16 for more information on the car decal renewal exercise). Each member may apply up to two car decals upon provision of proof of ownership of both vehicles. We do occasionally receive requests from members for more than two decals which we are unfortunately not able to accommodate due to our carpark space constraint. We ask for members' kind understanding on this.

We would also like to bring to members' attention that the Golfers' Terrace kitchen will be undergoing renovation in November and December. In view of this, the kitchen will be temporarily closed; we will not be able to serve menu items nor present members with any food promotions during this period. Instead, to allow members to continue dining at the Golfers' Terrace, stalls will be set up offering items such as chicken rice, wanton noodles, laksa etc. Additionally, we will also work with Yan Palace to have them serve food out to this outlet. The exact renovation dates are not firmed up at the time of crafting this message but please be assured that we will keep members updated on these dates through our various communication channels.

Before I end my last message for the year, here's wishing members a Joyful Christmas and a magnificent New Year!

We look forward to bringing you a brand new year ahead full of exciting events. Enjoy Warren and keep on with the fun!

# 1ST SGA & SLGA MIXED GAME 2019

Friday 20 September 2019

Golfers' attire making the game look real vibrant

The Club is indeed proud and honoured to be selected as the hosting venue for this first mixed game between the two local golf associations – SGA and SLGA.

To say that the event received an overwhelming response is definitely an understatement. Golfers were so supportive of this game that slots were snapped up way before the day and several golfers were regrettably turned down.

The 148 golfers who were part of this event were showered with drinks, snacks and ice cream during the game, followed by dinner at the Tee Garden with everyone partying to the disco music.

So did everyone have a fantastic time? These pictures tell it all!

Looking cool everyone!

# CAPTAIN'S DAY 2019

Saturday 5 October 2019

It was a day of great weather for the 134 golfers who came in support of the Captain's Day. Though the event was named "Captain's Day", it was a day for all our golfers too as without them, this game would not have been a roaring success.

# Warren Cares

WARREN CARES has just turned two years old!

With the end of the second year, it is also time for us to bid farewell to our very first adopted charity SUN-DAC, a centre for the intellectually disabled located in Choa Chua Kang, as we end our two-year partnership with them. The Club has raised a total of \$86,496 for SUN-DAC and also run several activities for them at the Club over these two years. We are glad that we have created a positive impact to the lives of SUN-DAC clients.

Some past activities organised for SUN-DAC clients

WARREN CARES is the Club's Corporate Social Responsibility (CSR) initiative launched in November 2017 with the following objectives:

- A great way for the Club to contribute to the society
- Provides a good and meaningful platform for Club members and employees to bond with one another and also with their families while engaging in volunteer activities
- Increases the Club's visibility as it brings us closer to the community

With the above in mind, we are pleased to announce that the Club has adopted **LAKESIDE FAMILY SERVICES** as WARREN CARES' beneficiary for the next two years.

## LAKESIDE FAMILY SERVICES

Our New Adopted Charity

### About Lakeside Family Services

Lakeside Family Services is a charity which has served the community for the last 26 years, regardless of race, language, or religion. They are an Institution of a Public Character (IPC) and a member of the National Council of Social Service (NCSS).

### What Lakeside Family Services Does

Located mainly in the west, Lakeside Family Services runs the following:

1. Two Family Service Centres (Jurong East and Jurong West)
2. Two Student Care Centres (Jurong East and Jurong West)
3. One centre providing specialised help for families of the incarcerated (Taman Jurong)
4. One centre for children & youths at risk ("The Grit Project" at Jurong West)
5. One centre for seniors' wellness ("Kaki Kampong Seniors Wellness Centre" at Corporation Road)
6. One Family Resource Centre (Changi)
7. One residential respite for women with unsupported pregnancies (Novena area)

### Programmes and Services of Lakeside Family Services

**Casework & Counselling** helps individuals and families in distress cope with crises and the demands of daily living.

**Kaki Kampong Seniors Wellness Centre** promotes seniors' physical, emotional, and social well-being through social and recreational activities, as well as therapeutic interventions.

**Integrated Service Provider (ISP)** runs programmes for at-risk youths and young offenders below 21. The programmes are Enhanced STEP-UP, Triage System, Guidance Programme and the Streetwise Programme. Lakeside ISP serves the Jurong West region.

**The GRIT Project - Children & Youth Centre** helps young people aged 5 - 18 make good life choices and serve the community. Programmes and counselling services are designed to stay relevant with children & youth trends and needs. All programmes have a mentoring component.

**Lakeside Student Care (LSC)** provides holistic care and supervision for children aged 7-12, whose parents are working, and includes children from single-parent & low-income families. LSC also works with organisations and volunteers in providing the children enrichment activities and outings. With these opportunities and guidance from the LSC supervisors, LSC brings out the best in every child.

**Educational & Psychological Services** provides assessment and reading intervention for children with learning and behavioural difficulties. The team of reading specialists runs programmes for children between 4 and 12, and encourages parents to inculcate good reading habits in their children.

**TJ HAVEN** works with the Singapore Prison Service in reaching out to the incarcerated as well as ex-offenders and their families through in-depth and integrated services – video conferencing with loved ones, counselling, as well as information and referral.

**Safe Place** empowers women and families facing unsupported pregnancies to make life-giving choices by providing timely, non-judgmental, and holistic help. It offers temporary residential services, referral to fostering and adoption services, mother and baby care, and financial assistance.

We are excited to start this new partnership with Lakeside Family Services. Do keep a lookout for upcoming activities and programmes with them, and we hope that members will continue to give us your support!

If you would like to volunteer your time in our activities with Lakeside Family Services, please drop us an email to [marcom@warren.org.sg](mailto:marcom@warren.org.sg).

## MID-AUTUMN FESTIVAL CELEBRATION MOONCAKE-MAKING & LANTERN WALK

Sunday 8 September 2019

This year, the little ones got hands on in making snow skin mooncakes for the Mid-Autumn Festival!

With parents welcomed to join in the session, the kids had a whale of a time molding the mooncake fillings and then wrapping them up with delicate, light, mochi-esque skin.

The night ended with the families having a walk around the Club with their lanterns, sharing the Mid-Autumn joy with all other members!

*Mooncake-making time*

*We are so proud of everyone's mooncakes!*

*A "tradition" of the Club that we hope will continue for the years to come – lantern walk-around*

*The sky getting dark just in time for the lanterns to shine!*

## KIDS' ZUMBA WITH MOM

Sunday 25 August 2019
