MESSAGE FROM SOCIAL CONVENOR

Evelyn Chan

Hello Warren Members!

I hope this message finds you all in great spirits. It is an absolute pleasure to introduce myself as your new Social Convenor, and I am beyond excited to embark on this journey of fun, laughter, and unforgettable experiences with each and everyone of you.

Our Social Sub-Committee is more than just a collection of individuals; we are a community bound by shared interests, passions, and the desire to make the most out of every moment. Our mission is to work closely with the Management Team to strike a balance in offering a variety of food menu, dining and entertainment options to our members while mitigating rising costs.

We believe that life's true essence lies in the moments we create together. Whether it is a themed party, an outdoor adventure, or a simple get-together, we are committed to curating a diverse array of events that cater to all tastes and preferences. So, whether you are an extrovert or introvert, a night owl or an early bird, there will be something for everyone to enjoy.

But here is the exciting part: we cannot do it alone! Your ideas, suggestions, active support and participation will truly bring back the vibrancy into our F&B outlets and make our social calendar shine, after 2 years of hiatus from the pandemic. Please feel free to reach out to me with any suggestions, event ideas or feedback you may have. This Club is for all of us, and your input is invaluable.

Let us embark on this adventure together, create memories and build lasting friendships. We are excited to engage all members for a term filled with excitement, laughter, and ensuring our time together is nothing short of spectacular.

Lastly, I wish to express my heartfelt thanks to members for your active participation in our first event, Halloween Nite which was held on 27 October! The event was a roaring success and I had truly enjoyed everyone's company. Do stay tuned for updates on our upcoming events and get ready to join in the fun.

Cheers to new beginnings and endless adventures!

GM SPEAKS...

Jinder Aujla

The festive season brings a sense of joy and anticipation, and we are thrilled to share that the Club has curated a series of fun and exciting activities to make this time even more special.

Get ready for an unforgettable festive extravaganza! We are excited to bring together our members and your loved ones for our Open House and Christmas Light Up on 18 November. This is the event of the season, and members can look forward to an exciting array of Sports programmes and games, bazaar and F&B stalls, magic show, Christmas carolling, photo opportunity with Santa and more. Mark your calendar today! During this event, the Club will also be launching an exclusive Social Transferable Membership promotion. Members can enjoy the Member-Get-Member scheme and recommend your friends to sign up and be rewarded too! Do check out the ensuing page for more details.

On the sports aspect, we are delighted to share that our Golf Course Walk-A-Jog event has received an incredible response over the past two months. Due to popular demand, we have scheduled this event on every 1st Monday of the month. Get ready for some invigorating exercise and enjoy the scenic beauty of our golf course with us. During the December School Holidays, Warren Kids' Club has specially organised a Log Cake Decorating Workshop, promising fun and creativity for our junior members too.

It is heart-warming to hear that Warren Cares' corporate social responsibility programme is continuing to make a positive impact. We have successfully concluded another round of groceries distribution to Lakeside Family Services' beneficiaries on 17 October. A heartfelt thank you goes out to the dedicated member volunteers who generously contributed their time to support this noble cause and give back to the community.

As part of our continuous effort to drive the 'Go Green' initiative, the Club will be taking steps to transit to a cleaner energy source with the installation of photovoltaic or solar panels on the sloped pitched roofs of both the Main Clubhouse and the Sports Wing. In addition, we will also be embarking on a new initiative with you. Starting in Q4 2023, we will begin phasing out paper towel dispensers to reduce the use of disposable paper products. In their place, we will be introducing electric hand dryers as a more eco-friendly and efficient alternative. Let us work together to make a positive impact on our environment! For more information on these initiatives, please refer to pages 12 and 13.

Fantastic news for all our food and drink enthusiasts! We are thrilled to introduce our latest and most enticing monthly and daily specials at our F&B outlets. And not to be missed is our Christmas special – the Roast Beef and Turkey set. Explore the ensuing pages and get ready to indulge in a delicious culinary experience with us. Bon appétit!

In closing, I wish all our Hindu members a Happy Deepavali and to all our members a Merry Christmas and a New Year filled with bountiful joys and opportunities.

New Members' Night

After a three-year hiatus due to the pandemic, the long-awaited New Members' Night finally took place on 25 August 2023. We were delighted to welcome 84 members and their families who attended the event. It provided a great opportunity for members to reconnect, mingle with fellow members, and become acquainted with the Management Committee, Sub-Committee members, and key management staff.

Members were seen enjoying the photo booth and actively participating in various activities specially arranged by the Sports team. Following addresses by the Club Vice President and General Manager, a video presentation showcased a wide array of past Club events and activities for members to anticipate. The evening was further enhanced by a delightful sumptuous buffet dinner, creating a perfect atmosphere for good food and camaraderie. It was truly a night of both gastronomic delights and enjoyable company!

Embracing Sustainability with Solar Energy

In line with Singapore's national agenda to promote energy sustainability and to achieve net-zero emissions by 2050, the Club will be taking steps to transit to a cleaner energy source with the installation of photovoltaic or solar panels on the sloped pitched roofs of both the Main Clubhouse and Sports Wing. The capacity of these panels will help us reduce our carbon footprint.

The installation will be handled by an experienced vendor in the field at no cost to the Club. During the installation, some temporary inconveniences, such as noise and restricted access to certain common areas, may be experienced.

Your kind understanding and patience during this interim will be greatly appreciated. Nonetheless, safety measures will be in place to ensure the well-being of everyone in the Club.

Given the rising energy cost, the deployment of solar panels will lead to significant savings of about 10% of our electricity bills.

An estimated timeline of the project is as follows:

Join us in this exciting journey towards a greener future and a more environmentally friendly, energy-efficient Club.

Reducing Paper Waste: A Step Towards a Greener Future

The production of paper consumes valuable natural resources such as trees, chemicals, energy and water. About one-third of the waste we generate is paper. Therefore, taking steps to reduce our paper usage is one of the simplest and most effective ways to lower our carbon footprint.

It is with this in mind that the Club is implementing an initiative to reduce the use of disposal paper products, such as paper hand towels.

Starting from Q4 2023 and continuing into Q1 2024, paper towel dispensers will be progressively phased out and removed from all the Club's toilets and changing rooms.

Instead, an eco-friendly alternative, the electric hand dryer, will be available for use.

Embrace the transformative change as we take a significant step forward in our journey to mitigating environmental effect.

Join us in our mission and commitment to protect the environment – one electric hand dryer at a time.

Together, we can contribute to a greener world for ourselves and future generations.

5D4N GOLF TRIP TO MISSION HILL, HAINAN

The golf trip held from 13 to 17 September 2023 was a resounding success with 36 members participating and enjoying three rounds of golf games at Mission Hill Championship course. The courses namely Black Stone, Lava Field and Sandbelt Trails surely added variety and excitement to the golfing experience.

We are delighted to hear that all members had a great time during the trip. Plans are underway for more casual golf trips in the future. Stay tuned for more updates and following are some of the amazing photos taken during the trip!

CLUB MATCHPLAY CHAMPIONSHIP 2023

In the September Mixed medal, elite players from the Club vied for spots in the Club Matchplay Championship. The top 16 gross players advanced to the first round on 16 September 2023. In a thrilling final, Daryl Low clinched the Championship title against Samir Bedi with a playoff at Hole 1. Congratulations to Daryl on the well-deserved victory!

Ladies 54-Hole Club Championship & Duffer Cup 2023

44 ladies participated in the Ladies 54-Hole Championship & Duffer Cup event over three days. The blessed weather set the stage for champions to emerge in the Championship, Intermediate and Duffer divisions.

Joelle Tang surpassed her opponent with 3 strokes ahead and secure the Championship title with the score of 77,81,89 (247). For Intermediate Division, Serene Tay made a comeback on her last two rounds to secure the division title with the score of 100,87,89 (276). For Duffer Division, all players played two rounds and Lee Nam Hee scored 104,108 (212) to secure Duffer Cup champion. Congratulations to all winners!

OUTPERFORM

Pro V1 has a softer feel, less spin and flatter trajectory than Pro V1x, offering exceptionally long distance, the ability to flight shots, and score with precision and touch.

=== PRO V1x ===

Pro V1x is the optimal premium performance choice for players looking for maximum distance, who need higher flight and more stopping power.

Warren Tidings - November / December 2023

Warren Cares, the Club's CSR Programme, is a valuable avenue for societal contribution. It facilitates meaningful connections among members and employees, fostering bonds with families through volunteer activities. The initiative enhances the Club's visibility, bringing it closer to the community and creating a positive impact.

On 17 October 2023, Warren Cares successfully concluded the grocery distribution as our member volunteers distributed goodie bags, bringing happiness to Lakeside Family Services' beneficiaries. Heartfelt thanks to the volunteers for their support in advancing the Club's CSR initiative.

Staff volunteers helped to pack goodie bags before the distribution day.

Members volunteering their time to collect goodie bags and vouchers before delivering to beneficiaries.

Beneficiaries receiving goodie bags and vouchers from Warren volunteers.

MOST COMMON QUESTION OF THE MONTH:

I want to work out and eat healthier, but I cannot seem to get motivated. What should I do?

In the quest for a healthier lifestyle, the biggest roadblock most people face is a lack of motivation. They yearn for a healthier diet and regular exercise, but the motivation to start just does not seem to appear. However, if you are sitting around waiting for a wave of motivation to strike, you might be waiting forever.

The Misconception About Motivation

A common misconception is that motivation is the catalyst that sparks action and subsequently leads to results. This cycle, in turn, is believed to fuel more motivation. However, this belief is far from accurate. Motivation is not the beginning of the cycle; it is a by-product of it.

The Real Road to Results

The true cycle begins with action, not motivation. Action leads to results, which then fuels motivation to continue with more action. In other words, you must take the initial step, regardless of your motivation levels.

The good news is that the action does not need to be monumental. It could be something as simple as taking a 5-minute walk, drinking a glass of water, or eating a piece of fruit. Even these small actions can lead to a feeling of accomplishment, which is a result in itself.

Small Actions, Big Changes

These results, however small, can spark motivation to take further action. Perhaps the 5-minute walk becomes a 10-minute walk, or you start drinking more water throughout the day, or eating fruits become a regular part of your diet.

Each small action leads to more small results, creating a ripple effect. These mini victories boost motivation, leading to more actions, more results, and a continuous cycle of positive change.

Stop Waiting, Start Doing

So, the answer to the question, "I want to work out and eat healthier, but I cannot seem to get motivated. What should I do?" is simple. Stop waiting for motivation to just magically appear.

Take action, even if is small and you are not particularly motivated to do it. Once you master the habit of taking action, regardless of your motivation levels, achieving your health goals will become much more attainable. The possibilities become endless and your journey to a healthier lifestyle will be infinitely easier.

Remember, motivation is not what gets things started. It is the action that brings about change, and it is the results that fuel motivation. So, do not wait for the perfect moment when you feel fully motivated. Start with a small action today and let the cycle of positive change begins.

Warren Table Tennis Championship

On 26 August 2023, the Club successfully concluded the Table Tennis Championship with a total of 16 participants. Notably, two Junior players participated, and one of them secured a remarkable 3rd place, creating a tie with the more experienced regular players. This achievement highlights both the talent and competitiveness of our Junior players while boosting the sport's overall growth and competitiveness.

Additionally, this year's championship featured a highly anticipated rematch between last year's top two winners, Ms Chanel Yeo and Mr Ong Poh Kok. After numerous intense rounds of back-and-forth play, Ms Chanel Yeo made a spectacular comeback, emerging as the Champion for this year's competition.

Congratulations to all participants for contributing to the success of the championship!

Warren Golf Course Walk-A-Jog

In September 2023, Warren organised the Golf Course Walk-A-Jog for our members and their families. Meticulously planned by the team, the route spans a picturesque 3.7km, offering breathtaking views of our golf course, ensconced within the tranquil embrace of lush nature reserves. The event aims to provide members with an enjoyable route, allowing them to appreciate the beautiful sunset view along the Sungei Peng Siang canal.

Additionally, members were treated to a glimpse of our renowned Par 3 hole, where golfers must skilfully hit their shots across a serene pond.

The Walk-A-Jog will be held on every first Monday of each month. Remember to register for our next Walk-A-Jog!

SOCIAL PICKICIONIA

In October 2023, the Sports team introduced Pickleball, a rapidly growing sport that has been gaining popularity worldwide. The members had the unique opportunity to play this sport indoors. This was a welcome change from the usual outdoor play on heartland badminton courts, which is often weather-dependent. Resident Coach, Tony Tan noted the swift growth of community interest in Pickleball, emphasising the sport's increasing popularity among the Club's members.

Are you interested in joining us for a game of Social Pickleball? Do register with Sports Department and join us every Monday from 2.00 pm to 4.00 pm! Additionally, for those who are eager to explore Competitive Pickleball, please do not hesitate to contact us for more information about group lessons. We look forward to seeing you on the court!

Fee: **\$27 nett per month (4 sessions: An hour per session)**Minimum 4 pax to start a class.

ENGLISH CHESS CHAMPIONSHIP

During the September School Holidays, Warren Kids' Club (WKC) organised two engaging events on 09 September 2023 to captivate and stimulate the young minds of Warren Juniors.

The first event was the English Chess Championship, providing kids with an enjoyable and mentally stimulating experience. A total of nine kids enthusiastically participated and we are thrilled to announce that Jasper James Yuen emerged as the Champion! He was awarded with a \$50 F&B voucher along with a stationary set.

Aviation Education Tour

In addition, the Club also arranged an Aviation Education Tour hosted by PAC Aviation. This exclusive tour was attended by five aspiring Warren Juniors who were in for an extraordinary experience. At the simulator academy, each of them had the opportunity to get hands-on with a variety of simulators, including F16 Fighter Jets, Boeing 737, and others, getting a feel for aviation. To make the day even more memorable, each young participant also received a photo shoot, making this educational and thrilling event an unforgettable experience for them.

Great news! PAC Aviation will be adding excitement to our upcoming Warren Open House and Christmas Light Up event scheduled on 18 November 2023 by showcasing a mini drone piloting. We invite everyone to drop by, participate, and show your support!

Warren Mid-Autumn Festival

On 23 September 2023, Warren Kids' Club (WKC) organised a Mid-Autumn Festival celebration for the Junior members at Starter Hut.

During the event, the Juniors had a hands-on experience in the culinary arts. They donned cute little aprons and actively participated in kneading the dough. The highlight of the event was crafting delicious snow skin mooncakes from scratch. The joy and excitement of the children were palpable as they eagerly awaited the moment to pop their first mooncake out from the mould.

In addition, the Juniors had the opportunity to savor some traditional mooncakes. These delicious treats were complemented by refreshing pu-er tea, generously sponsored by Yan Palace.

Another highlight of the event was the lantern painting activity. It was truly amazing to witness the children unleashing their creativity as they enthusiastically worked on their lantern masterpieces.

The event concluded on a magical note as everyone gathered, each holding their dimly lit lantern. They then took a short walk on the golf course, creating a beautiful and enchanting scene with the lanterns illuminating the way. It was a memorable and enjoyable experience for all participants, making the celebration a truly special and cherished event.
