DISCONTINUATION OF HARD COPY STATEMENTS OF ACCOUNT

Dear Members

As part of the Club's efforts in our Go Green initiatives and commitment to environmental sustainability, we will no longer provide hard copy statements of account to members **with effect from 1 January 2025**.

You may access your statements online through the Club's Members' Portal <https://warren.cluboncloud.com/membersportal>. Simply log in with your Membership Number and Password, and then click on the "MONTHLY STATEMENT" tab to view your statements.

An email notification will be sent every month when your e-statement is ready for viewing.

Members who wish to continue receiving paper statements by mail will be charged an administrative fee of \$2.18 per statement per month.

Thank you for your understanding and support of our sustainability efforts.
